Announcement 1009

## ***Attention Provider Types 45 and 81:***

### **Form FA-100 Must Be Attached to Initial Claim for Outpatient Emergency Dialysis Services for all New Federal Emergency Services (FES) Recipients**

Nevada Medicaid End Stage Renal Disease (ESRD) providers (*provider types 45 and 81*) must complete and sign Emergency Dialysis Case Certification forms to certify that a non-U.S. citizen has met the medical conditions to be eligible to receive outpatient emergency ESRD services through the Federal Emergency Services (FES) program. The Initial Emergency Dialysis Case Certification (form FA-100) must be completed and attached to the initial claim for outpatient emergency dialysis services for all new FES recipients covered under the FES program.

#### **Please note:**

- If FA-100 has not been submitted, the claim will be denied for edit code 0450 (Non-emergency services not authorized for non-citizens).
- Effective November 2, 2015, subsequent claims (after the initial claim) no longer require paper submission to be processed.

The Monthly Emergency Dialysis Case Certification (form FA-101) must be completed and signed at the beginning of each month and placed in the FES recipient's file.

The forms are available on the [www.medicaid.nv.gov](http://www.medicaid.nv.gov) website on the [Providers Forms](#) webpage.
